Salisbury Fire Department

The Salisbury & Rowan County Fire Departments cordially invite residents and visitors, of all ages, to attend an open house on Saturday, October 11th from 1 p.m.-5 p.m. The event, in coordination with Fire Prevention Week 2003, October 5-11, will be held at the Salisbury Fire Department, 514 E. Innes Street. "This Open House is suitable for singles, families and people of all ages," states Salisbury Fire Chief Sam Brady. "Our primary objec-

tive is to reach out to the public with information they can use to stay safe from fire, but we want them to have fun too." The Salisbury Fire Department is hosting the annual event with support from the Rowan County Fire Marshal's office and local vendors. Attendees can look forward to fire station tours, the "Fire Safety House", simulated fire-fighting, hose rolling drills, and many more activities. Enjoy popcorn, drinks and prizes.

Parks & Recreation

The Salisbury Parks & Recreation Department invites you to enjoy your 455 acres of city park land including 4 recreation centers and 15 parks. Also, as a new resident, you are now eligible for the lower city rate, when you enjoy one of our many diverse programs. For more information, please call (704) 216-PLAY or visit us on the web at www.SalisburyNC.org/pkrec. We invite you to attend the **7th Annual Halloween Fun Fest**, Saturday, October 25th, from 3 p.m. - 6 p.m., at the First Bank Parking Lot, 214 West Innes Street.

Important Information and City Benefits for You

Home Owner's Insurance—As a new Salisbury citizen, you may still be learning what services and benefits that you have the pleasure of enjoying. One hidden cash savings that you may not be aware of is a possible savings on your fire insurance premium for your home-owners insurance. You were previously in an ISO Class 6 fire district and now you are in a ISO Class 2 fire district. To receive this possible lower premium you should contact your insurance agent and make sure they are aware of your new status.

Street Lighting—The City of Salisbury pays the cost for street lighting on public streets within the city limits. This includes assuming the cost of street lighting in newly annexed area which had existing street lighting paid by individuals (yard lights on private property are not considered street lighting). Duke Power has experienced a delay in the transition of the billing of these street lights over to the City, but that transition is now complete. If you have been billed by Duke Power for a

street light in the annexation area since July 1, 2003 and would like for the City to reimburse you for the cost of that lighting, please furnish a copy of your bill, along with your name, address and daytime phone to: City of Salisbury, Engineering Division, 110 N. Main Street, Salisbury, NC 28144, Attention: Street Lighting.

Solid Waste—Garbage, trash and recycling bins are collected on Mondays in the newly annexed areas. Keep in mind that these items are collected every holiday as well, except Christmas Day. Inclement weather such as snow and ice may also cause a day to be missed. In the event a day is missed for any reason, the schedule will be adjusted one day until the regular schedule can be resumed. Remember to have carts and bins out before 7 a.m. and back in by midnight.

Pan American Festival for Children—Citizens are invited to attend the Pan American Festival for Children, to be held Saturday, October 11th, from 10 a.m. - 2 p.m. This cultural event will be held at the Salisbury Civic Center, 315 S.

Boundary Street. The first 100 attendees qualify for a grand prize. The event will offer free car seats, ITIN W-7 assistance, information, foods, toys, clowns, face painting, door prizes and a Parade of Nations. For more information, please contact Margarita Bentley at (704) 638-2168.

Utilities Easement Acquisitions—Representatives of our consulting engineer, Peirson & Whitman, and our land agent, Larry Chilton, Planning and Land Services, Inc., will be in the area working and may contact you about surveying and easement acquisition. For questions regarding utilities expansion, please call Larry Chilton at (704) 638-5247.

Code Enforcement—Questions regarding nuisance violations, overgrown lots, junked or abandoned vehicles, and trash or debris in yards, please contact Jeff Benfield at (704) 638-5262.
